District 6: **Mitch Canton**

District 7: **Ann Foster**

NACCC Liaison: **Ann Foster**

Join us at the Spring 2019 NSCNA meeting.

**More roads, more people, more "Growth" ...
how are we going to manage?**

In Clark County government, Community Planning encompasses a vast array of departments, projects, and policies. But how do they affect us as Salmon Creek neighbors?

From the Bicycle Plan to Freight Rail policies to the Highway 99 Plan, Community Planning delves into a diverse set of issues that have significant impact on our daily lives.

One of those critical activities is the catch-all phrase of 'Growth Management.' But can you *really* manage growth? And what exactly does Growth Management entail? And why do things like the 'Comprehensive Plan' and the Growth Management Act and the Urban Growth Boundary matter?

Join us at the Spring 2019 NSCNA General Meeting as we welcome Clark County Community Planning Staff Members Jose Alvarez (Land Use Planning) and Matt Hermen (Transportation Planning) to discuss what's happening - and what the future holds - in your County Government related to all these new roads, new houses, and new people.

How will we handle all this "Growth?"

Do you have news of note?

Maybe a neighborhood or HOA related bit of info? Share it with the community...

Welcome New NSCNA Board Members!

Please join us in welcoming two new Board Members to the North Salmon Creek Neighborhood Association.

Jim Selby

Jim has joined the NSCNA Board as the new Association Treasurer. Jim and his wife Betty have lived in the Salmon Creek area since 2005, when they moved to the area to be closer to family. They love the Northwest, as Jim is an avid hiker and a hike leader for Mazamas.

Both he and Betty are also very involved in the Salmon Creek Church.

Jim comes to us with an extensive professional background, including 49 years in the education field, with eight years as a community college president and 14 years working with community colleges on major fund drives.

Welcome on Board, Jim!

Matt Hinshaw

Matt was recently appointed as Director of District 4. After moving to Vancouver five years ago, Matt and his wife Kristen settled in District 4 in 2017.

Professionally, Matt works as a civil engineer in highway safety. Outside of work, Matt says he has too many hobbies, but tries to find time for playing music, reading, photography, computer projects, his many house projects, and most importantly playing with the kids in whatever they are doing. Matt, Kristen, and their children, Nathan and Norah, enjoy traveling around the Pacific Northwest camping and hiking throughout the year.

Matt is interested in community action starting in our neighborhoods and finding ways to become a closer-knit community. He looks to helping his neighbors in District 4.

Welcome on Board, Matt!

Clark County Sheriff's Office Liaison

Deputy Jeff Ruppel, our Sheriff's Office Liaison to the Neighborhood Association, is slated to join us at the April 23 meeting to answer any neighbor questions.

Thank You to the Sheriff's Office for making a Deputy available (subject to pending enforcement activity, of course).

THANK YOU! To our neighborhood partners at **Wayside Market** for providing the refreshments for our Neighborhood Association meetings.

We appreciate their generosity and ask that you support the local businesses that support the neighborhood.

You can see the North Salmon Creek NA District boundaries on the web at: www.SalmonCreekLive.com/nscna/documents/legal/nscna-district-map/

Neighborhood Associations are volunteer groups and not agents of Clark County government. Newsletter information and views are solely those of the neighborhood association and not of Clark County. Clark County Information and Public Outreach Office supports these volunteers by printing and distributing these newsletters.

There are loads of activities happening this Spring in and around the Neighborhood. Get information on these events and many more on your community website: www.ClarkCountyLive.com/calendar/

StreamTeam Earth Day @Klineline Park: April 20. An entertaining and educational Earth Day fair that is free and open to the public.

Home & Garden Idea Fair: April 26-28. Featuring hundreds of home and garden businesses, displays, and a huge plant sale.

Salmon Creek Elementary Carnival: May 4. Food trucks, games, and a very impressive silent auction, open to the public. Proceeds benefit the kids!

Hazel Dell Parade of Bands: May 18. Join thousands of your friends and neighbors at the 55th Annual Hazel Dell Parade.

Dozer Day: May 18-19. Where Kids Drive... construction equipment, fire engines, an ambulance, and more.

Villages Clark County

We'll welcome Patty Graham of Villages Clark County to our meeting this month. After a brief introduction, she will then be available with information handouts and to answer questions after the meeting.

Villages Clark County is part of a sweeping national grass-roots movement across the US, their mission to support seniors, giving them, and their families, the confidence that allows them to stay in their homes longer.

They are neighbors helping other neighbors stay in the neighborhood they know and love, with trained and background-checked volunteers who help our neighbors with some of the challenges of daily life. Their stated goal is to become each other's support when our own support is no longer available.

Neighborhood Fundraiser

Help your **Salmon Creek Neighborhood Association** raise funds for beautification projects, proposed neighborhood events, and other worthy activities.

When you make a purchase donation of \$20 or more, you'll receive a bundle of deals and discounts worth thousands of dollars from dozens of local merchants.

Thanks for supporting your Neighborhood Association!

Want to get more involved in your Neighborhood Association?

If you're like many of us, you think it would be nice to help out somehow, but time is limited.

Being an active part of your Association is less work, and more rewarding, than you probably think. If you would like to help you can come to a meeting and let us know, or email us. We would look forward to working with you!
